> In a ppt for Tom, I'm using the IL River as an example of successful collaboration/partnership. I would like to know the names of the entities involved in the IL River TMDL beyond the generics. For example, instead of saying "academia" I want to say "Univ. of Such and Such".   Similarly, what are the names of the Ag. Groups,

Enviro. Groups, Municipalities and other Stakeholders. It doesn't have to be exhausted, but I would like at least one for each category.

Need by COB next Tues. (5/8)

Let me know of any questions or problems.

Thanks muchly and have a great weekend. (see you in a few weeks)

Carol
